1. A student who because of her/his membership on an officially sanctioned athletic team with officially scheduled competitions is unable to attend classes on a particular day or days because of such absence is excused.

2. Faculty and administrative officials of the institution must provide each student who is absent from school because of such competitions an equal opportunity to make up any course requirements which the student(s) may have missed because of such absence. No fees of any kind shall be charged by the institution for this opportunity. At the same time, the absent student shall not expect the instructor to repeat an entire lecture or lab session.

3. Coaches of each athletic team must provide the student athlete a list with dates of officially scheduled competitions. The student must give this list to faculty and to administrative officials affected by these provisions at least one class meeting prior to the first competition, and at least one class period prior to any post-season competitions. It is the responsibility of the Athletic Director to see that all coaches comply with this provision.

4. It is the responsibility of the student who misses any classes under these provisions to contact the instructor of each class (prior to the anticipated absence) to arrange for making up course requirements affected by the provisions. It is also the student’s responsibility to inform the coaches and faculty affected by these provisions of changes to their athletic schedules at the time of the change. It shall be the responsibility of the Academic Advisor for Athletics to monitor student athletes’ changes of schedules and notify coaches.

5. Faculty and administrative officials of the institution must ensure that students do not suffer unfairly because of these provisions. Students who feel that this policy has not been fairly implemented by faculty may appeal to the appropriate department office. If it is felt that no satisfaction is received there, then the student may appeal to the appropriate dean.
