Medical Insurance waiver for Canadian Students

Canadian students have the option of waiving their medical insurance. In order to remove the International Insurance charge from your bill, please fill out the enclosed HTH insurance waiver and send it together with the following documents to the ISSS office by email or postal mail no later than September 15.

1. Copy of the insurance policy
2. Copy of the insurance card
3. Signed insurance waiver

FrontierMEDEX medical repatriation evacuation is mandatory for all international students, unless it is clearly stated on your policy that it covers $100,000 USD or more.

If you wish to purchase the HTH Worldwide Insurance, the charge will automatically be placed on your bill. HTH Worldwide insurance will pay the first $1500.00 for any intercollegiate sports related injury. Any other sickness or injury will be covered by HTH, if you use the student health center and submit a referral and the doctor you visit is a participating provider.

If you elect to sign the HTH medical waiver, the college is not responsible for medical costs incurred.

Please send documents either as attachments to jo.richardson@oswego.edu or by postal mail to:
